

Dear Parishioners & Friends of Mater Christi

We need to renew our recognition of all that God has given us. This means giving time to God to ponder and reflect and to pray. It doesn't mean time that's necessarily full of words and frantic activity. It means quality time – and silence – when we can pray and listen to the Lord who gives us life and who invites us to share life with him. When we listen to the Lord, when we seek his face in prayer, then we begin to understand how everything that we are and everything we have comes to us as his gift – and we can be profoundly thankful.
